THE SWORD INTERVAL

A WEEK FOR WRITING

Hey everyone.
I'm taking a little break this week to focus on the writing side of things. As the story ramps up to the finale, I need to give the script extra care and attention.

In the meantime, I want to recommend one of my favorite webtoons – ***Apocalyptic Horseplay***.

Like Sword Interval, it's a modern-fantasy with apocalypse themes [if the title didn't give that away].

It just recently ended, too, so now is a wonderful time to binge-read the whole dang thing.

Anyway, I know many of us are stuck in our homes right now, and for some it is all very hard. I wish all of you and yours good luck and good health. Take care, and be kind to each other.

I'll see you next week.
